

IS YOUR BUSINESS ELIGIBLE FOR FINANCE?

A HANDY GUIDE FROM CAPITAL FLEET SOLUTIONS

Once you know you're eligible, you now need to think through whether you'll be accepted for finance.

The business will need to go through a credit check as part of the process. The finance provider will consider the application by checking all the details and against credit agencies.

Other things they look for are:

01

Credit information on the Directors

02

When the business started trading

03

Financial performance including balance sheet and profit & loss

04

Public records – County Court judgements, bankruptcies, insolvency

05

Companies House information
